

VISION EYE INSTITUTE BORONIA

AFFORDABLE EYE INJECTION CLINIC

CALL 1800 MACULA (1800 622 852)

Struggling to afford the cost of eye injections?

Our affordable clinic is suitable for patients who currently receive eye injections (intravitreal injections) to treat a condition such as wet macular degeneration, diabetic eye disease or vein blockage.

Transforming lives. That's our vision.

AFFORDABLE EYE INJECTION CLINIC

Eye injections (also called intravitreal injections) are used to treat a number of potentially blinding eye conditions, including macular degeneration (wet), diabetic eye disease and vein blockages.

A regular, ongoing course of injections is usually required to preserve vision.

Unfortunately, around 26% of patients stop treatment after only six months, which may increase the risk of blindness.* This is often due to cost and inconvenience. Our eye injection clinic was set up to address these issues and encourage patients to continue treatment.

HOW THE CLINIC WORKS

- We accept patients who already receive eye injections to treat a medical condition.
- Patient care is provided by **retinal specialist Dr Devinder Chauhan** and his highly trained clinical team.
- Our clinic is located on the ground floor within the **Melbourne Eastern Healthcare** facility (free parking, onsite café, easy access to Eastlink).
- Appointments (including the consultation, scan and injection) take around 30 to 40 minutes in total, with **minimal waiting time**.
- There are **no out-of-pocket fees** for consultations and scans.

Transferring into the clinic is easy

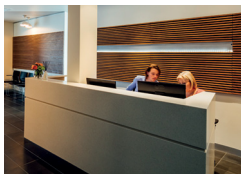

Simply contact our clinic and our friendly staff will talk you through the process.

**Call us on 1800 MACULA
or (03) 9890 4333 today.**

All medical and surgical procedures have potential benefits and risks. Check with your ophthalmologist before proceeding.

*Data on file (Novartis)

CONVENIENTLY LOCATED

Our clinic is located within the Melbourne Eastern Healthcare facility, close to Eastlink. There is plenty of free parking on-site. Alternatively, you can take the 753 bus or walk (20 minutes) from Bayswater train station.

The clinic has easy access for people with limited mobility.
