CAR

Boronia is in the eastern suburbs, approximately 32 km from the Melbourne CBD. Located within the Melbourne Eastern Healthcare facility, the clinic is close to Eastlink and features plenty of free parking and an onsite café.

DO NOT DRIVE YOURSELF TO YOUR APPOINTMENT
– please ask someone to drive and accompany you to the clinic instead. During your visit, dilating drops will be applied to your eyes to allow us to examine your retina. These drops blur your vision and increase sensitivity to glare. You will not be able to drive safely for 4 to 6 hours afterwards.

PUBLIC TRANSPORT

TRAIN: Our clinic is a 20-minute walk from Bayswater train station. The Route 753 bus departs from Bayswater train station and stops very close to Melbourne Eastern Healthcare.

DISABILITY ACCESS

The clinic has convenient access for people with limited mobility.
