Dr Nishan Ramachandran

MBChB, PGDipOphthBs, MMedSc, FRANZCO

Dr Nishan Ramachandran is an internationally trained ophthalmologist and vitreoretinal surgeon committed to delivering world-class care to his patients. He specialises in cataracts, medical retina, vitreoretinal surgery and general ophthalmology and has extensive experience in retinal laser, all types of intravitreal injections and complex retinal detachment care. Dr Ramachandran is fluent in Tamil as well as English.

BACKGROUND

After completing his medical degree at University of Otago Medical School, Dr Ramachandran trained at several hospitals across New Zealand. During his early training he also completed a Masters in Medical Sciences with Distinction to broaden the clinical expertise he offers his patients. Dr Ramachandran then undertook fellowship training in medical and surgical retina, uveitis and complex cataract care at reputed institutions in Hamilton, New Zealand for one year and Edmonton, Canada for an additional year.

Dr Ramachandran regularly publishes ophthalmology research in leading medical journals so that he can continue to improve on the best practice care he provides. He also keeps on top of the latest advances in ophthalmology by attending scientific conferences regularly and holds memberships with peak ophthalmology bodies including the Royal Australian and New Zealand College of Ophthalmologists, the American Society of Retina Specialists and the Australian and New Zealand Society of Retinal Specialists.
